OSLC/Hosanna Tiger Highlights

Wednesday was a wild night for weather but we still managed to play some softball. The game was called early because of some lightning strikes which were quickly growing in intensity and coming closer to us. Even with bad weather and being on the short side of the score it was a great evening to be out enjoying the Minnesota summer. We appreciate the fans who came out to cheer for us even when the weather is threatening.

Inning	1	2	3	4	Total
Opponents	0	8	5	5	18
TIGERS	0	0	-	0	

As the TIGERS were coming to the plate in the bottom of the fourth inning the first lightning strike was seen in the distance. We didn't want to give up but it was felt that holding a metal rod (the bat) in your hands with lightning flashing all around you would be to dangerous. So, the coach reluctantly conceded the game.

Lauren Carlson played right field for the TIGERS and our opponents hit several fly balls into your area. Lauren was not able to make a play on any of the fly balls but she did a great job of keeping the ball in front of her and getting it into the infield. At the plate Lauren struck out and walked but was thrown out at second on a fielders choice.

Levi Hanson played shortstop for the TIGERS and was part of several plays. He caught a fly ball and had an unassisted force out at second base. Levi was very busy at shortstop with several other fly balls hit just out of his reach. At the plate Levi grounded out to first base and struck out.

Alex Douglas played center field and third base for the TIGERS. In center field he had several fly balls hit to his area which kept him busy. At the plate Alex flew out to the pitcher and was coming up to the plate for his second at bat when the lightning bolts began striking. He was ready to start our rally but after the second lightning strike the coach conceded that it was to dangerous for play to continue.

On July 21st the TIGERS will play at 7:00 p.m.. Come to Slatterly park to enjoy the summer and cheer for your TIGERS.
