We invite you to continue living into this faith-practice; you may give by placing your gift in the offering plate during in-person worship, by mailing your gift to the church building, by signing up for the automated Simply Giving program, or by going to our website. CHURCHILL/HOOVER Snack Ministry is Expanding!!!!

Along with our continued snack ministry for the classrooms, Hoover has reached out and asked if we could help to fill their food pantry. This pantry has easy

to make items for food insecure kids to take home with them for the weekends or even week nights. The most taken items are

- Peanut Butter/Jelly
- microwave mac & cheese
- oatmeal, microwave or stove top packets
- ramen
- rice
- cereal
- fruit cups

Please help them fill their pantry so no kids in Rochester are food insecure. Items can be left in the blue barrel along with the classroom snacks. Thank you.

WAYS TO GIVE

THANK YOU FROM RONALD MCDONALD HOUSE

Thank for the generosity of the congregation for the many, many items donated for the House. We also donated enough monetary gifts to cover families stay at the house 40 nights. Thank you so much.

Samaritan Bethany has started up their church worship services and are still looking for more volunteers to help escort residents to the church service. We previously did this

as a church group two months out of the year but they are trying something different. They now have an online signup and you pick what Sunday would work for you. There are also new policies and procedures that must be followed with covid-19. All volunteers must have been vaccinated, must have a background check done and must go through a short training session. If you are interested in volunteering for this rewarding experience please contact Pam Shulze for details phone 507-281-5918 email pks1752@charter.net

DOROTHY DAY HOUSE

Now that we in the New Year, I wanted to ask again who might be interested in volunteering to help with the Dorothy Day house dinner that our church community has been providing for the evening meal on the third Thursday of every month. This outreach is a great way to serve those in our community who are struggling with homelessness. You can volunteer for one month or more. Please call me with your questions. Our congregation has several members who would be happy to support you in getting comfortable with our role. Thank you! Doreen Markus, dorwm00@gmail.com, phone 507 281-1700.

Congregational Meetings Notice

Coming up at the end of January we will have two meetings, one on January 23rd and one on January 30th.

The meeting on the 23rd is our annual budget review meeting. At that meeting, the budget for 2022 and other financial information will be presented and there will be a time for questions and other feedback.

The meeting on the 30th is our Annual Congregational Meeting. An agenda for this meeting is posted the on large bulletin board in the hallway.

These two meetings will both take place at 9:30AM in the Sanctuary, immediately following our early worship service. This service will be moved from its normal start time of 9AM up to 8:30AM. This change in worship time will only be for these two services; worship will go back to 9AM on February 6th.

Please stay tuned in case these will need to have a format change or the unlikely event that the Annual Meeting needs to be postponed until Sunday February 27th.

Greetings siblings in Christ,

Pastor Ben had us confess, "We are done," last Sunday as we reflect on our year plus of dealing with Covid. For well over a year we have had to rise up and make urgent decisions and it is exhausting. Yet again we have come to that point.

Covid has now affected many OSLC families as it continues to spread. Testing sites are overwhelmed with patients and our hospitals and their workers are exhausted.

We realize that many of our OSLC family have had the opportunity to be vaccinated, which is why **we will continue to have in-person worship** even as the numbers soar.

We have been so appreciative of all the OSLC members who have worn their masks while in the building. Seriously- you are all so AMAZING! THANK YOU! It is because you are so great at doing this for your neighbor that we can continue to offer in-person worship.

Some things will change.

- Earlier as these numbers started to rise with the Delta variant we put restrictions on food and beverages in the building. This is still in effect. When we eat or drink masks come down/off, and that is not safe right now.
- Office hours may change with no notice. Minor cold-like symptoms will require us, and our families, to stay home to limit exposure and then test before returning to normal work hours. Is this a royal pain? YES! But we do this to keep everyone safe.
- Pastoral visits with members (in-person) will not be happening at this time. We do not want to bring this to anyone, especially those who may be struggling with their health. We will start our in-person visits again when it is safe to do so. Pastors will be happy to visit by phone or zoom.
- We will limit activities offered in person. All things that can take place by zoom or online will be encouraged at this time.
- All breath-related musical groups will be paused for now.
- Our Budget Review Meeting and Annual Meeting will happen in-person, but please stay tuned in case these will need to have a format change or the unlikely event that the Annual Meeting needs to be postponed until Sunday February 27th.
- Following Mayo's current policy, we will move to requiring surgical masks by Sunday Jan. 23rd until further notice.

We will continue to have in-person worship,

the following need to be considered at this time:

- If both pastors are in isolation or quarantine, worship will move to online only. Stay tuned for notice as late as Sunday morning.
- During this time we will move to one in-person service. The GIFT worship service will move online, at the same time (10:30), and it will be live (not recorded!).

We will re-evaluate all of these changes toward the end of February, with the hope that we will be in a different place with this virus and can move back toward fewer restrictions.

As always, we remain committed to helping our congregation serve God and our world through the ministry we have been called to, even in the midst of a pandemic. You are all doing GREAT work in an incredibly trying time. And as Pastor Ben ended his sermon on Sunday, remember that, no matter what, God loves you!
